Title:

Reading fluency over time (grade 2)

Learning Intention/Description of Learning Activity:

Learning intention
 Read fluently at grade level
 This is developmentally appropriate reading strategies

Learning Evidence

All Pictures Video Audio Documents

Audio evidence will appear here.

Teacher Comments/Feedback:

Samples of oral reading will be added throughout the year.
 October: Glen shows deep connection to the story he chose but a lost dog. His fluency is developing. He still reads word by word with some support required for decoding.

Next Steps:

As Glen continues to practice his reading both on his own and with adult support we will see how it improves.
